Digitization of Disembarkation Card on arrival in India

Government of India has introduced the facility of filling up of Disembarkation Card in digital mode to make the immigration process smoother.

2. The foreigners visiting India will now have an option to fill up the Disembarkation Card online through BoI website (<https://boi.gov.in>), the Indian Visa Website (<https://indianvisaonline.gov.in>), and also through the Official “Indian Visa Su-Swagatam” Mobile App, **72 hours prior** to their arrival.

3. The physical filling up of Disembarkation Card will also continue for the time being till the system of digital filling is stabilized. All international travellers visiting India are therefore advised to avail the facility of filling up Disembarkation Card through digital means to the extent possible.
